## Search Overview

The Search page is the place for you to browse the school's pages and content by keyword. Some of the features include:

- Keyword search that returns not only pages but also specific content such as Events, Downloads, Photos and News.
- Advanced search.
- Access to user specific content that is based on your associations at the school (requires login)

## Performing a Search

To perform a search:

- Click on the Search menu in the left hand navigation of the site.
- Enter in the keyword you wish to search on.
- Optional: Click "Advanced Search" if you want more search options.
- Click "Find"
- Click the Title of the page or content story to see details.
- If you login with your username and password prior to searching you will see private search results in addition to the content that have been published to the public.
